

# Student Projects and Theses

Please complete this form with some information about yourself and about your research interests. This helps us to find a suitable project for you. A selection of current project proposals can be found on our website ([www.epc.ed.tum.de/sam/student-projects](http://www.epc.ed.tum.de/sam/student-projects)). Apart from that, we welcome your unsolicited application with reference to our current research activities at any time. You get a proper overview of our research projects by browsing through our website ([www.epc.ed.tum.de/sam/research](http://www.epc.ed.tum.de/sam/research)). Please make full use of this opportunity to find some matches with your personal research interests before you complete this form.

## Personal Data:

Last Name, First Name:

Matriculation Number:

Study Course and Semester:

Email:

## Project Specification:

- |  |   |  |
|--|---|--|
| <input type="checkbox"/> Hiwi-job        | <input type="checkbox"/> Term paper     | <input type="checkbox"/> starting as soon as possible  |
| <input type="checkbox"/> Bachelor Thesis | <input type="checkbox"/> MSE internship | <input type="checkbox"/> starting <input type="text"/> |
| <input type="checkbox"/> Master Thesis   |   |  |

- I am particularly interested in one of the following proposed projects:

- I am (also) open for other suggestions of topics. I am especially interested in the following research fields of the institute:

Previous activities at the Institute of Simulation for Additive Manufacturing:
